

Water Quality Laboratory  
Applied Research and  
Development Center  
Virtual Tour

The image shows the exterior of a modern building. The upper portion features a balcony with a metal railing and a series of square, grid-patterned windows. Below this, a wide, light-colored concrete or stone band contains the building's name in large, raised, white letters. The lower portion of the building has a textured, stone-like facade. In the foreground, there are several young trees, some with green foliage and others bare, supported by wooden stakes. The lighting suggests it might be dusk or dawn.

**12A WATER QUALITY LABORATORY  
APPLIED RESEARCH & DEVELOPMENT CENTER**

# WQ Main Micro Lab

# WQ IQTOX Daphnia

# WQ Veliger Numeration Cross Polarized Light Microscope

# WQ DNA/RNA PCR Molecular Techniques

# WQ Giardia/Crypto Sporidium Lab

# WQ Inorganic Lab

# WQ Inorganic Lab

# WQ Inorganic Lab

# WQ Metals Lab

# WQ VOA GC/MS Lab

# R&D Prep Lab

# R&D Solid Phase Extraction Lab

# R&D LC-MS/MS Lab

# R&D GC-MS/MS Lab

# R&D Pilot Plant

# Laboratory Dish Washing
